Welcome, <user-name>

latest journal..

15-07-2020

day 1 of 100 days of code

if you're on twitter and you're even slightly involved in the dev community, there's a chance you've seen the #100daysofcode hashtag floating around. as of this first journal entry, i am holding myself accountable to spend 1 hour coding every day for 100 days and to keep a daily log of my learnings, progress, discoveries and questions... ([see more](#))

192 hours spent coding..
& counting

goals due this week..

Make my first React App

Due: 2020-09-30
